The voting machines have never been more accurate, secure, resilient  
from fraud. A new generation of voting machines are right around the  
corner. Humans make many errors in counting and may even commit  
crimes when they put personal interest above democracy. That's the  
bottom line

Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord, "He is my refuge and my fortress, my God, in whom I trust."

**Psalm 91**

<sup>1</sup>Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. <sup>2</sup>I will say of the Lord, "He is my refuge and my fortress, my God, in whom I trust."

<sup>3</sup>Surely he will save you from the fowler's snare and from the deadly pestilence.

<sup>4</sup>He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart.

<sup>5</sup>You will not fear the terror of night, nor the arrow that flies by day, nor the pestilence that stalks in the darkness, nor the plague that destroys at midday.

<sup>7</sup>A thousand may fall at your side, ten thousand at your right hand, but it will not come near you.

<sup>8</sup>You will only observe with your eyes and see the punishment of the wicked.

<sup>9</sup>If you say, "The Lord is my refuge," and you make the Most High your dwelling, no harm will overtake you, no disaster will come near your tent.

<sup>11</sup>For he will command his angels concerning you to guard you in all your ways; they will lift you up in their hands, so that you will not strike your foot against a stone.

<sup>13</sup>You will tread on the lion and the cobra; you will trample the great lion and the serpent.

<sup>14</sup>"Because he loves me," says the Lord, "I will rescue him; I will protect him, for he acknowledges my name."

<sup>16</sup>He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honor him.

<sup>18</sup>With long life I will satisfy him and show him my salvation."

Put as much effort into ending mail in voting.

Just now · 1

Two times in its history, the Mail Cover program at usps was suspended. The 2020 and the 2022 elections.

The program photographs the outside of every mail including ballots and signatures on envelopes.

Mail in voting is the primary tool to steal elections. As ballots trickle in over voting month...the criminals know exactly the vote count in advance, and thus how many votes need to be stolen.

In Maricopa 2.8 million are on the mail voting list who are mailed ballots. - 4.8 MILLION ballots were printed. So, if they don't like how the ballot comes in they can forge one they like, and use your mailed envelope.

179000 dead/inactive for over a decade, voters were reactivated during mail in voting month. Most removed after voting month...
